Notice of Proposed Action Instructions

Notice of Proposed Action is a safeguard to protect families. It is required to fully inform and involve parents before decisions are made that will affect the child and family. The service coordinator must provide written prior notice to parents whenever EDIS proposes, or refuses, to initiate or change the identification, evaluation, placement or provision of special services to a child with a disability.

Date: Enter the date the letter was completed.

Dear: Enter the parent/guardian's full name.

Child's Name: Enter the child's name.

Check all the actions that apply. For example, if the Notice of Proposed Action is for the initial process check Evaluation (to assist with eligibility determination), Eligibility, and IFSP.

If the Notice of Propose Action is for a change to a current IFSP use the space provided to briefly describe the proposed or refused change.

Additional Information about action being proposed or refused: This space is provided as needed to describe information about an action being proposed or refused; information about options considered; and/or further information upon which the proposal or refusal is based.

Signature: Service Coordinator/designee signs the document.
